DELIVERY STATUS DESCRIPTIONS

Here are the different delivery descriptions on the outbox:

AbsentSubscriber

These are invalid (do not exist) or inactive **Safaricom numbers**. The status is sent back from the **MNO** 18 to 24 hours after a message has been sent.

DeliveredToTerminal

These are messages that have been delivered to the specified phone numbers (**Safaricom, Airtel, and Telkom numbers**). The status is sent back from the **MNO** immediately after the message is delivered.

DeliveryImpossible

These are similar to **AbsentSubscribers**, but specific to numbers that are inactive or blocked. The status is sent back from the **MNO** in seconds or minutes.

SenderName Blacklisted

These are **Safaricom** numbers that have blacklisted a sender ID or blocked all promotional messages.

SentToNetwork

These are numbers that are either in a **poor network coverage area** or turned off. Also, messages might have been delivered, but the **Mobile Network Operator** failed to send back a delivery report.

Unknown

These are **Airtel** and **Telkom** numbers that are either unreachable, inactive, or invalid. **Airtel** and **Telkom** provide a blanket response of "Unknown" for such numbers.

Scheduled

These are messages either queued pending delivery or set to be delivered on a later date and time
