SMS TO HASHED SAFARICOM NUMBERS

This endpoint is used to send messages to Safaricom hashed numbers. Make sure the hashed values start with 254 before hashing

Caution

This endpoint is strictly for sending transactional messages only. We do not allow promotional content on hashed numbers. The hashing mechanism was introduced to ensure compliance with regulatory requirements.

Any misuse of this endpoint for promotional messaging will result in strict measures, including potential suspension or blacklisting. Ensure all messages sent comply with guidelines.

Tip
